

Decorated Liquor Bottles

A New and Unique Approach to Marketing

Etching Wines & Spirits can source specific brands and decorate to make your client's event truly special with either Etch or Label Art.

SCOTCH, BOURBON, COGNAC, CANADIAN WHISKEY, RUM, TEQUILA, GIN & VODKA ARE ALL AVAILABLE.

The only thing we cannot decorate are bottles that have been already silk screened by the distiller.

Many Vodkas and Tequilas fit into this category.

1. Tender Offers, Notes, Mergers and Acquisitions can all be done in Tombstone presentations for the Financial Community.
2. Corporate Branding, Events, Anniversaries, Meetings.
3. Commercial Real Estate Announcements
4. Golf
5. Insurance
6. Sports

KEY POINTS:

This is not about consumption of alcohol but about creating a memory and a keepsake bottle for key individuals who your client is trying to impress. The bottle is our canvas to create ART.

1. This cannot be bought in stores, decorated making it a unique gift for your clients to give to their customers. This gift has a terrific "WOW" factor for this reason.
2. We can create gift packaging for this or 2 bottle gift sets.
3. Pricing will be higher than retail due to the production costs and your work in getting your client and us together.
4. Pricing will be based on volume and complexity of artwork. It will need to be custom quoted as a result of pricing for the product is determined by outside suppliers.
